

Baxian

Corporate & Trust Services

Expert wealth management and trust services tailored to your needs.

Corporate Establishment and Set-Up

Operating across Kuala Lumpur, Forest City, Labuan, Singapore, Hong Kong, Taiwan, BVI, Cayman Islands, and Samoa, Baxian can assist you to establish your chosen business structure and provide a full range of administrative support – from company secretarial services to preparation of documents and resolutions for all corporate actions.

We also provide directorship and shareholder services, maintain accounting records, manage payroll and where applicable, handle tax and regulatory filings for both companies and individuals.

For clients seeking to work and live in any one of our service jurisdictions, we assist with employment pass applications and work permits through our Singapore office.

Trust Structuring Solutions

Beyond corporate establishment, Baxian provides bespoke structuring and advisory solutions to help safeguard wealth, ensure succession, and achieve complex family and financial planning objectives

Through the Group, we offer access to a wide range of trust structures across key jurisdictions including the British Virgin Islands, Cayman Islands, Hong Kong, Labuan, and Samoa. Our team assists in the establishment and administration of trusts and related entities designed to meet your legacy planning needs.

While Baxian does not provide Legal or Tax advice, our extensive experience and the Group's collective expertise enable us to deliver effective and practical solutions – whether for legacy planning, asset protection, philanthropy or other long-term goals.
