Why Outsource to Baxian?

Reduce administrative burden

Leave the monthly payroll calculations, payslips, EPF submissions, SOCSO filings, and statutory reporting to us – so your HR team can focus on strategic growth.

We use industry-standard security systems and ensure full confidentiality of your payroll and employee data.

Responsive support you can rely on

Payroll issues can't wait. Our dedicated team responds promptly to your queries and provides real-time solutions to keep your operations running smoothly and your employees paid on time.

Improve compliance, avoid penalties

We stay up to date with the Ministry of Human Resources, EPF, SOCSO, and LHDN requirements to ensure your payroll practices meet every regulation, helping you avoid costly penalties or errors from non-compliance.

Safeguard and administer

No need to hire full-time payroll specialists. With our outsourced model, you gain access to a full team of experienced payroll professionals at a fraction of the cost.
